

HOW TO PLACE AN ORDER

If you would like us to submit a claim for supplies to your insurance company please have your doctor send us a prescription stating the type of supply need, the amount needed per month, and how long you will need the supply.

If this is your first time ordering from us please call our intake staff to provide your insurance information, the name of your doctor, and other information we need to file an insurance claim. Our intake staff know what questions to ask you.
